## Clinical Transcription

Hello, my name is Chancellor Magnus. I am the co-CEO and the co-founder of iSonera. I am also the CTO and I am also the developer of the iSonera healthcare platform. I live a healthy lifestyle. I exercise 5-6 days out of the week. I run 5-6 days out of the week. I eat healthy. I am a vegan. I do eat cookies. Cookies are certainly my weakness. I don't think I'll ever stop eating cookies. I'm sorry to say that, but I don't think I will. I intermittent fast throughout the week. One day out of the week, I fast for 24 hours. The rest of the week, I fast 16 to 18 hours. And I have seen results from living a healthy lifestyle. I don't smoke and I don't drink.
